

HUMANA - 2010

For access to a more complete listing of drugs, the member would need to look up a specific drug.

Here are instructions on how to view the drug list:

www.humana.com

Click on "enter member site"

Click on "tools and resources"

Click on "prescription tools and resources"

Select "Humana's Drug List"

Scroll down to printable drug lists

Select 2010 Drug Lists and Changes, select RX4 Drug List in English

The above steps can also be followed to look up a specific RX, OR here is a more direct route:

www.humana.com

Click on "enter member site"

Click on "drug list search" under "Quick Links"

Enter drug name or drug category

Select Your plan type of "RX4"
